1. Do you think Alaskans are served well by the transportation system today?

No

2. What do you consider the most critical transportation issues facing Alaska – today and into the future?

Better non car options

3. Overall, do you agree with the direction set by this plan? If you disagree, what direction would you like the plan to set?

Too much emphasis and expense on the car and roads.

4. Based on the plan, what statewide priorities would you recommend for transportation investments (we are not looking for project-specific priorities)?

Improve rail and inter city people movers.

5. Of the actions listed, what would you consider the most important?

Avoid catering to the oil industry & auto industry. why do we build their expensive roads? Roads are important but should not consume the

6. Are there additional actions that would strengthen the plan? If yes, please specify. majority of

Support port & harbor infrastructure - why do the \$.
we spend on roads but not on harbors?
